

**Want to get more involved
in SEAoNY?**

Join The Programs Committee!

**As a member of one of the
founding committees of SEAoNY:**

- **Explore the big questions of what is shaping the structural engineering industry**
- **Help inform the engineering community of best practices**
- **Engage with SEAoNY members through planning of monthly seminars, All Day Seminar, and EiSE Awards**
- **Network with other engineers, architects, contractors, and vendors**
