

# 2023 SEAoNY ANNUAL CONFERENCE

Each year we hold a day-long educational seminar at a venue in New York City. We are excited to announce that the 2023 SEAoNY Annual Conference will be held in-person in New York City on February 16th, 2023. In addition to our membership, the event attracts non-members, including contractors, architects, Department of Buildings officials, and those from other sectors of the AEC industry. In 2020 we had over 220 attendees during our last in-person conference.
