

17<sup>TH</sup> ANNUAL

# SEaNY EDUCATION FOUNDATION GOLF OUTING

**PLEASE  
NOTE:**  
Start  
times have  
changed!

Monday, June 13, 2022

## MAHOPAC GOLF CLUB

Situated on the majestic, rolling countryside of New York's southern Putnam County, Mahopac Golf Club is among the oldest clubs in the US. The course, which features well bunkered greens, is considered by many to be one of the area's most beautiful and most challenging.

For directions to Mahopac Golf Club please visit [www.mahopacgolfclub.com](http://www.mahopacgolfclub.com).

## COVID-19

We are all hopeful that we have put COVID in the rearview mirror. Thus, we are back in all our glory for a great day of golf, spending time with friends, and most importantly celebrating the success of the Urban Assembly School students. So start stretching now, loosen up your swings and sign up ASAP as this will sell out very fast (we are hearing this from other outings as well). See you at Mahopac in June!

## SCHEDULE OF EVENTS

Scramble Format (great for novice golfers)

- Gift certificates to Pro Shop for each member of the foursome

## THE EDUCATION FOUNDATION GOLF OUTING

Support a great cause while improving your handicap, getting some sun, and mingling with colleagues! Join us for a day on the links in support of the SEAoNY Education Foundation.

Proceeds from the golf outing provide scholarships for students who are chosen by that year's Honorary SEAoNY Member. This past year, scholarships were awarded to Louis Giacomo and Chris Charvet from Manhattan College.

The Education Foundation also provides scholarships to high school seniors from the Urban Assembly School for Design and Construction to support them as they go on to represent our industry and become leaders in promoting our profession. Last year's scholarship winners were Jia Wen Xu and John Santana.

## OUR MISSION

We started this event 16 years ago with a goal of encouraging young people to enter our profession by supporting area college and university students studying structural engineering. Since then, we have been able to expand our goals thanks to your generosity. We also award scholarships to graduating high school students from the Urban Assembly School for Design and Construction and support the Center for Architecture Foundation. We have distributed over \$250,000 to these great causes so far.

With greater demands on our aging infrastructure, the need for bright young structural engineers is more critical than ever. Please join us in helping students and supporting the field of engineering all while having a great time!

The SEAoNY Education Foundation is a 501(c)(3) non-profit organization.
